

ITT Technical Institute
EG462T
Contemporary World Culture
Onsite Course

SYLLABUS

Credit hours: 4

Contact/Instructional hours: 48 (48 Theory Hours)

Prerequisite(s) and/or Corequisite(s):

Prerequisites: EG372T Written Analysis or equivalent, An introductory level Social Science course

Course Description:

This interdisciplinary study of contemporary world culture focuses on the impact of globalization and electronic communication. This course explores how global economical, cultural, political and communication processes are influenced by the rapid technological changes within our contemporary world.

SYLLABUS: Contemporary World Culture

Instructor: _____

Office hours: _____

Class hours: _____

Major Instructional Areas

1. Introduction to the concept of “culture” and its study
2. Historical development of “globalization” and “global culture” including social media
3. Traditional and emergent patterns of living
4. Globalization and the environment
5. Politics and belief in a global society
6. Immigration, outsourcing, and corporate responsibility
7. Globalization and human rights

Course Objectives

1. Define and analyze the concept of culture.
2. Define “global culture” and “globalization.”
3. Compare and contrast between “globalization” and “Americanization.”
4. Analyze the role of art and social media in local and global culture.
5. Analyze the historical origins of globalization and global culture by researching and using information in the ITT Tech Virtual Library.
6. Assess the effects of the expansion of trade including outsourcing, child labor, and sweatshops.
7. Evaluate the alternatives global outsourcing.
8. Assess the impact of globalization on migration and immigration.
9. Evaluate the effects of human trafficking, forced child labor, and rape as a weapon of war.
10. Analyze limitations of consumption of natural resources as a result of globalization.
11. Analyze the scope and threat of global disease and deficiencies in health care.
12. Create a real-life scenario for future development extrapolating from current developments.

Related SCANS Objectives

1. Identify and acquire relevant information from existing sources and identify the best method to present the information.
2. Organize and maintain information to maximize retention and expression of knowledge.
3. Apply a critical thinking process to discover principles underlying the relationship between global culture, local culture, and globalization.
4. Use ideas or information to gain new perspectives.
5. Apply existing and new knowledge to analyze and critique world culture.

Teaching Strategies

The goal of this course is to help students understand the cultural impact of art, social media, information technology, global trade, political decision-making, immigration, the environment, human rights, and disease on local and global populations. Students will assess the economic origins of these items and review the cultural and political implications of their consumption in a variety of contexts.

This course uses instructional methods such as lectures, discussions, and group activities. These are designed to introduce and prepare the students for more detailed research and writing assignments to be completed individually.

Evaluation & Grading

COURSE REQUIREMENTS

1. **Attendance and Participation**
Regular attendance and participation are essential for satisfactory progress in this course.
2. **Completed Assignments**
Each student is responsible for completing all assignments on time.
3. **Team Participation (if applicable)**
Each student is responsible for participating in team assignments and for completing the delegated task. Each team member must honestly evaluate the contributions by all members of their respective teams.

EVALUATION CRITERIA TABLE

The final grade will be based on the following weighted categories:

CATEGORY	WEIGHT
Writing Assignment	20%
Participation	15%
Research Assignment	20%
Quiz	15%
Course Project	30%
Total	100%

GRADE CONVERSION TABLE

Final grades will be calculated from the percentages earned in class as follows:

Grade	Percentage	Credit
A	90–100%	4.0
B+	85–89%	3.5
B	80–84%	3.0
C+	75–79%	2.5
C	70–74%	2.0
D+	65–69%	1.5
D	60–64%	1.0
F	<60%	0.0

Course Outline

Note:

1. Unit 1: All the concepts will be covered in the class; therefore, the specified readings are merely for your reference.

2. For all units, except Unit 1: It is recommended that you complete the readings before attending the class.
3. In addition to general class participation and in-class activities, all discussion questions will be graded under the Participation evaluation category.
