

Online Student,

After more than 50 years of educating students, ITT Technical Institute has discontinued operations at our resident campuses.

For more information, click [here](#) to read the Communication Notice sent to students enrolled in the July 2016 term online via email and posted on the internal student portal on September 6, 2016.

At this time, we expect that online students in the July 2016 academic term will be able to complete the term which is scheduled to end on October 16, 2016.

Our focus and priority is on helping students access their academic records and identify future educational opportunities.

Below is key contact information for students:

- Visit www.itt-tech.edu: Here you will find information, such how to request your transcript, view your grades, obtain your diploma, and download a list of schools in your area with programs of study similar to those offered by your school, or view a list of schools that ITT Technical Institute has articulation agreements with to help provide you with an opportunity to complete your program of study.
- For information on student financial aid and other options, please contact the U.S. Department of Education Federal Student Aid Information Center at 1-800-4-FED-AID or visit [here](#).
- For information on GI Bill benefits and remaining entitlement, please contact the U.S. Department of Veterans Affairs Education Call Center at 1-888-442-4551.

The best place for students to receive updated information is on our website, www.itt-tech.edu.

Please know we are extremely disappointed to have to discontinue our operations after more than 50 years of serving students.

We want to thank all of the men and women that have diligently served you through your studies at ITT Technical Institute. We, and they, apologize for this unexpected disruption to your education and we sincerely wish you the best as you move forward.

Regards,
ITT Technical Institute
